

Blue on Grey Soft Rubber Wheel and Caster- ASE-5114-ULT

Light / Medium Duty

This product supports individual weight capacities of 250 lbs. The function performs well in day to day use and general-purpose applications. The Flat spot resistant rubber provides wide range of light/medium duty casters in zinc and stainless steel. The product line also includes our Precision Raceway line of light/medium duty casters that utilize a precision bearing raceway in the swivel. These very specialized casters are guaranteed to increase performance and reduce noise in any application.
