

Grey and Black TPR Wheel and Caster- ASE-5114-TPE

Light / Medium Duty

This product supports individual weight capacities of 250 lbs. They function well in day to day use and general-purpose applications. TPR products include a wide range of light/medium duty casters in zinc and stainless steel. The TPR product line also includes our Precision Raceway line of medium duty casters that utilize a precision bearing raceway in the swivel. These very specialized casters are guaranteed to increase performance and reduce noise in any application.
