

Stainless Steel-High Temperature- White Ditherm RXT

Bakery Casters

Quality, Life time, Wash ability, easy handling, and Material used in the production of these casters are selected and come exclusively from Italy. They are resistant to most cleaning agents and disinfectants and certified for food contact. The sealed precision ball races and bearings all regular cleaning without problems and do not require further maintenance. Our superior quality caster brackets are highly polished AISI 304 stainless, making them longer lasting and maintenance-free.

MGX/ 100WRSB

Features

Design	Stainless Steel Casters with Hi-Temp White Rubber
Capacity	Up to 260 lbs.
Mounting Plate Size	4" X 4-1/4"
Bolt Hole Spacing	1-3/4" X 3" slotted to 2-3/8" X 3-7/16"
